The NINETEEN

Betty, Julia, Garner, Judy, Gracie and James are seen looking at some suggestions for the club layouts.

HUNDRED AND SIXTY *Rambler*

..... THE *Golden Memories*

Lest we forget, we have entered the halls of Renan High School inspired by the strength, vigor and freshness of youth, to create traditions, and to grow mentally and spiritually. Also, in the contemplation of the past, we may look through these pages of our true personalities as they are disclosed to you in this book.

Confidently we face tomorrow, for today we are strengthened by knowledge, trained for leadership, and enriched by companionship. Through the cooperative efforts of church, school and home we have learned the essence of adult life-independence and freedom in the true sense. As we strive along the years we face the truth and independence when we learn to respect the right of others, the responsibility, and to be tolerant of God's creatures.

Lest We Forget, our departures are symbolic of our entrances, and our achievements made this year. Now, as its representatives, we, the annual staff, present the students' annual--The Rambler.

Golden memories! Yes, it is for Carolyn, Coryn, and Melvin who are seniors this year.

What happy memories are called to mind by this picture of Sue, Melvin, and Nancy standing before Mr. Parcher's house, in our senior class play, "Seventeen"!

The "CanCan Dancers" were one of the highlights at the Junior-Senior Prom.

Nancy Farmer represents Renan High in the Christmas Parade during the holiday.

OF OUR *School Life*

THE RADIANT ATMOSPHERE OF THE *Classes.....*

Throughout our high school careers, we have found that not only a river of school spirit flows through Renan High, but also a strong current of class spirit and a radiant atmosphere is prevalent.

Susan, Garner, John and Faye are taking advice from Mrs. Short on what are the most important dates to study for exams.

Now wait.....should this be single spaced typing?

"As the Sun colors Flowers, so does Art color Life."

Fight, Team, Fight! This lively group lets the teams know they can depend on the student's support.

Just another point to victory as Gloria aims for the goal.

Some fine hurling is expected from these boys.

This represents the physical side of our well-rounded student, who must have an outlet for pent-up energies. There have been victories, and there have been defeats. Always, however, we have had the joy and satisfaction of knowing that we played the game in a sportsmanlike manner.

COMBINED WITH THE
COMPETATIVE SHOUTS OF *Sports....*

WE CAN RECALL THESE FOND MEMOR

To temper work with play is imperative. We must learn to live life in leisure moments, to balance our lives with the proper blend of social activity. Man knows himself by understanding others, for the "proper study of mankind is man". By this process life is fulfilled and enriched.

At the annual PTA Bazaar the following kings and queens were crowned according to the popularity contest. Betty Hutcherson and Mike Wilson as Primary King and Queen; Sheilia Lea, Baby Contest Winner; David Hutcherson and Jo Ann Moorefield. Elementary King and Queen; Linda Moon and Sayford Moon as High School King and Queen.

Here Bobby Shelton and Gerald Edwards are ready to leave for the train station to go to Kansas City, Missouri to the National Chorus Convention and National FFA Convention. Gerald is also state Beta president.

IES.....

These FFA-FHA members work hastily in preparation of their annual FFA-FHA Banquet and Prom.

Gerald Edwards, State Beta President, spoke at the Beta assembly, using as his topic "Honesty".

Class editors Garner Dillard and Alma Robertson work busily on the class layout envelopes to meet deadline dates.

"Lest We Forget"!

Dedication

We Seek To Honor

A teacher who has greatly contributed to the welfare and high standing of Renan High School; for his endless patience and interest toward those whom he instructs; for his co-operation with fellow-instructors.

As a tribute to a personage whose actions and attitudes are an inspiration to all, we dedicate this 1960 RAMBLER to MR. CHARLIE J. FRANKS.

Beta Club

"Let us lead by serving others" is the motto of the National Beta Club, a leadership service organization for students in their Sophomore, Junior and Senior year. The Beta Club was founded to stimulate effort, promote character, to reward merit, stimulate achievement and to encourage and assist members to continue their education after high school graduation.

Membership is based upon good mentality and character, achievement, commendable attitude, and the other Beta principles, leadership, honesty, charity, and service. The Beta Club's main project is the publishing of a yearbook. The club also holds regular monthly meetings with planned programs and at this time awards a courtesy award to an outstanding person in the club. Some of the other events are: attending the two federation meetings, attending the annual state convention, preparing bulletin boards, serve a Ruritan supper and sponsors a spring dance.

We have twenty-four (24) members and we feel that we are very fortunate to have one of our members, Gerald Edwards, to serve as Virginia State Beta President for this year. We are very proud to wear the Beta Emblem and we try to live up to the ideals for which the Beta Club stands.

The Monogram Club's an organization composed of students who have fulfilled the requirements for a letter in sports. These students lead the school in developing good sportsmanship and fair play. Some of their activities this year were a pep rally before each home game, a dance in the fall, and a banquet in the spring.

These enthusiastic girls sparked school spirit and good sportsmanship at the pep rallies, one of the Monogram Club's projects for the year.

The Glee Club has been very successful this year. Directed by L. Hampton Benton, we have provided musical entertainment for the Ruritan Club and P.T.A. meetings, assemblies, and graduation. We sung for a womanless wedding for the Chatham Lions' Club and a meeting of the Hargrave Women's Club held in the Green Lantern Tea Room. We also participated in the Pittsylvania County Annual Christmas Festival held in the Chatham High School auditorium on Sunday evening, December 13. We recorded a program of Christmas music to be played over Radio Station WMNA. Instructed by Mrs. Marie Waters, we have studied music history, appreciation, and theory. We have listened to different kinds of recorded music. Through our Glee Club, we have learned to sing and to accept a wide variety of music. Our Glee Club has been an inspiration to us; and to it we sing our "Note of Thanks".

Judy and Billy Shelton both agree that the quarter note gets one count as Mrs. Marie Waters, instructor, explains.
